3	<p>(解答例)</p> <p>In my opinion, it is better to live in a city with three reasons. First, I don't know how nice it is to live there because I have never lived there. I guess living there itself will make me excited to do what I have never done. Second, I'm interested in how good fashion is born there. In my future, I'd like to work for fashion in Japan if possible. Third, I'd like to learn mixed culture by communicating with people from other countries. From above, it's better to live in a city than in the countryside.</p>
